HISTORY OF THE CENTRAL ORPHANAGE OF NORTH CAROLINA

In August, 1882, The Colored Orphanage Association was formed in Henderson, North Carolina, by members of the Shiloh and Wake Associations. The idea was presented by Dr. Augustus Shepard, who noticed during his travel throughout the state the large number of homeless, neglected children.

At a later meeting the Association set out to find a suitable location for the prospective orphan home. Many difficulties were encountered and in October, 1883, a farm of twenty-three acres located one and one-half miles from Oxford on the Raleigh Road, was obtained for \$1,565.00. One-half of the price was paid at the time possession was given. The Orphanage was named the "Grant Colored Asylum."

The Grant Orphanage Asylum ceased to exist in 1887 when "The Colored Orphanage Asylum of N. C." was incorporated. The members of the board were Rev. Augustus Shepard, Rev. Joshua Perry, Rev. W. A. Patillo, Rev. Issac Alston, Rev. J. W. Levy, Mr. M. F. Thornton, Mr. H. E. Long, Mr. Henry Hester and Honorable H. P. Cheatham.

The Orphanage was incorporated as a non-denominational institution to receive children deprived of their parents and means of support, and to train them along religious, moral and industrial lines in order to fit them for useful law-abiding citizens.

When the Orphanage was known as the "Grant Orphanage" Rev. Joshua Perry was elected its first superintendent and Rev. W. A. Patillo was named General Agent. The Rev. Perry served for one year and was succeeded by Miss Bessie Hockin, a Canadian woman, who served from 1884 to 1886. Miss Hockin not only served without salary, but also donated her furniture to the orphan home. She had no income of her own and lived only by faith. It was during that time that Mr. Henry Hester, of Oxford, volunteered to pay all bills contracted in providing food for the orphans. Mr. Hester acted as Treasurer of the Orphanage until his death in 1901.

Rev. W. A. Patillo served as superintendent for the year 1886-1887. It was during his administration that Mrs. Adline Cogwell became connected with the institution as matron. Mrs. Cogwell not only received no pay, but worked to help support the children of the institution.

In 1887 the Board of Directors elected Rev. Robert Shepard superintendent without promise of remuneration. Rev. M. C. Ransom gave board to the new superintendent until a three-room house could be enlarged. The enlarged building served as the superintendent's home, boys' dormitory, dining room and kitchen. A few years later a girls' dormitory was built, and near it a laundry building was built.

According to data received from the superintendent's report of 1902-1903, a forty-four acre farm was purchased in 1895 at the cost of \$1,440. A little later an adjoining lot of four acres located directly in front of the Orphanage property was bought. On this land a home for the superintendent was erected. It was a frame structure consisting of nine rooms. A small store room in the house was used for storage of clothing. Shoes were kept in an outhouse located in the yard of the superintendent's home. A few years later a donation of three acres of land on which was located a well built house, was gratefully received. There were on hand numerous applications for admittance that had been deferred because of lack of space. On Thanksgiving Day, 1903, twenty young children and a matron moved into this new home, since space was made available for the new children.

Donations from Mr. B. N. Duke, churches, associations and fraternal orders were received yearly. Produce from the farm supplied the table, and cotton and corn were grown for the market. The proceeds from these sales helped greatly in meeting current obligations. The legislature of the State of North Carolina appropriated \$5,000 yearly to the institution. This amount was increased to \$10,000 during Rev. Shepard's administration. Rev. Shepard resigned his position at Oxford in 1907 in order to help with the establishment of the Orphanage in Forsyth County near Winston-Salem, North Carolina.

Mr. H. P. Cheatham, ex-Congressman and a member of the original board of incorporators, succeeded Rev. Shepard as superintendent. Mr. Cheatham served as superintendent from 1907-1935. In keeping with progressive ideas brick buildings were constructed during his administration to replace the original frame buildings. The bricks were made on the Orphanage grounds by the boys. The buildings erected were a boys' dormitory, girls' dormitory, chapel, dining room, laundry and dormitory for small boys. The Angier B. Duke School and Office Building were erected during this time, a gift of Mr. B. N. Duke. The farm was increased until it reached the size of 400 acres.

The Orphanage was re-incorporated in 1927 under the name "The Colored Orphanage of North Carolina." The following were named to the board of directors: M. F. Thornton, M. C. Ransom, J. W. Levy, J. C. Jeffries, J. E. Shepard, N. A. Cheek, Alex Peace, G. C. Shaw.

Under the act of re-incorporation it was authorized that the Governor of North Carolina would appoint five white men of Granville County as members of the board of directors.

In 1935 Mr. H. P. Cheatham died, and his son, Charles, succeeded him as superintendent. Mr. Charles Cheatham served for two years. At the end of the period he resigned to accept work in a northern city.

Mr. T. K. Borders was elected superintendent in February, 1937. His program emphasized the improvement of living conditions; special attention was given to health, diet, discipline and play. During the administration of Mr. Borders many improvements were made in the physical plant among which may be mentioned the installation of a heating plant in the boys' dormitory, addition of laundry equipment and also sewer connection with the main sewer system of the city of Oxford. On October 15, 1940, Superintendent Borders died. The Orphanage was directed by its Assistant Superintendent, Mr. C. A. Alston until March 1, 1941, when Mr. T. A. Hamme was elected superintendent.

Mr. Hamme found at the Colored Orphanage a definite need for continued physical and cultural improvements and the development of a definite vocational and recreational program. During his administration considerable progress was made along these lines, and efforts were made to have the institution meet standards set by other educational institutions of the state. Buildings were screened and the interiors renovated. A new modern dairy barn, stable, shop and superintendent's home were erected.

In 1946 a special financial campaign was begun to secure funds for an expansion program which included remodeling of the girls' dormitory, new boys' dormitory, vocational building, girls' cottage and infirmary.

The loss of the boys' dormitory by fire on March 20, 1948, necessitated the use of all available funds to replace the building. This dormitory was known as the Robert Shepard Building. The citizens of the entire state of North Carolina and elsewhere contributed their finances to make possible the new Robert Shepard Building, which has been in use since 1949.

Emphasis has been placed on the development of the individual child to his fullest potentialities. A scholarship fund has been established by Robert Shepard, Oxford mortician, to enable those children who have ability to continue their training above the high school level. Under this program ten children have completed courses of study beyond the high school level.

There have been improvements made in the establishment of a well-rounded vocational program. The Carver Vocational Building, given by the New Farmers of America, was put in use in 1950. The boys are taught shoe repairing, farming, dairying, general repairing and care of the lawn. This training is given through work experience.

The development of a full time sewing department greatly reduced the cost of clothing and furnished the main part of the vocational training for girls. In addition, the girls are taught laundering, cooking and general housekeeping.

Though there has been no full-time director of recreational activities, there is a realization of the important part that this activity plays in the child's growth. More opportunities for play and socializing minimize the behavior problems of the group. The program is in a stage of development, and at the present time free play, movies, bus rides, outings, ball games, Boy Scout programs, band and

choral activities are the main recreational features.

On April 15, 1951, Superintendent Hamme died. D. O. Leatherberry was appointed by the Board of Directors as acting Superintendent until August 31, at which time Reverend T. H. Brooks was elected Superintendent and began his duties September 1, 1951. The steady progress of the past decade is being continued with emphasis on all needs of the children.

The present objective of the Orphanage is to provide physical care, individual understanding of the child and his problems, and to give training to enable the child to become an asset to the society in which he must live. Consequently, greater care is given to the selection of children in order to reduce the number of unhealthy and mentally defective that have been frequently admitted. The children's health has been very good, accentuated by the fact that there have been no deaths or serious illnesses for a number of years.

The institution is continuing to expand its facilities in the effort to meet the ever increasing need for its service in keeping with present day trends. More than \$1,000,000 has been raised and spent from contributions alone for improvements of a permanent nature during the administration of Reverend Brooks. The following lists a few of such accomplishments, new and modern bathrooms in the girls' dormitory; new heating plants in school building, girls' dormitory and little boys' dormitory, complete renovation of Cheatham Building which houses the auditorium and dining room; complete renovation of little boys' dormitory and Angier B. Duke School Building and the building of the freezer locker. The Annie Rogers Cottage has been rebuilt and provides housing for a staff member.

In the fall of 1961 a new one-family dwelling unit, known as The Gregory Cottage, was completed on the institution's campus. This unit constructed of brick veneer, consists of five rooms and bath and was erected for the use of the institution's assistant superintendent and his family. The cottage is named in honor of the late Mr. Francis Gregory of Deamington, Ontario, Canada, who had great interest in the Colored Orphanage and was a native of Granville County, North Carolina.

By an act of the 1965 State Legislature, the name of the Colored Orphanage of North Carolina was changed to the Central Orphanage of North Carolina.

During 1967 a gymtorium was erected on the Central Orphanage campus. A dual-purpose structure, it accommodates adequate seating space for large gatherings, and also serves as a Recreation Center for the institution. The facility was built at a cost of \$140,000.00 excluding equipment.

The Reverend Dr. T. H. Brooks, Superintendent, died on June 17, 1968. An interim Committee composed of H. V. Bryant, Assistant Superintendent, and Mrs. J. H. McDougale, Budget Officer, was named by the Board of Directors to be responsible for the institution's immediate operation pending the election of a successor to the late Dr. Brooks.

H. V. Bryant, Assistant Superintendent, was named by the Board of Directors to the position of Superintendent February 11, 1969.

OUR VIEW OF CENTRAL ORPHANAGE

Our view of Central Orphanage reveals more than the campus with the natural landscape of old oak trees, the worn and use-scarred buildings that have borne the tread of children for many years, or the records of admissions, or monies spent to provide care from year to year .

This view must encompass the lives of the individual children who call this "home" during their formative years, when they are developing an outlook on life, setting their goals and formulating hopes for the future.

What, then, is the responsibility of those who care?

Central Orphanage must provide an atmosphere in which the child can feel free to think, and become proud of the opportunity of living here.

To this end we are developing a staff that cares.

With not as many children as in former years, we seek to give each child a sense of importance to himself and to those who are around him.

Material progress must be a part of the picture. Our efforts to begin construction of a cottage-complex are beginning to materialize. Costs of building are steadily increasing and the first estimates of a year ago now are over 20% more. With the authority given in the last meeting, we have had plans approved, secured estimates and proceeded with entering a contract for constructing a cottage for girls and proceeded with entering a contract for constructing a this time, but we feel confident that friends will continue to add to the building fund to help us reach our goal.

Home visits are increasing and we find that continuous contact between the children and the home situations is helpful. Many friends are offering opportunities for the children to visit with them during holidays and vacation periods.

Two students were lost by marriage when Hattie Clemons became Mrs. Cleavon Roseboro and Hildred Barnes married Miss Minnie Flowers. Hattie and Hildred were college students and continued their education, Hildred graduating from the University of North Carolina at Greensboro in June.

During the year we have worked closely with the State Department of Social Services and Miss Barbara McIntyre to strengthen our weaknesses and move forward in child-care services.

With continued support of our Board, and friends we can continue to work for the facilities needed to make this agency one of the best.

REPORT OF ASSISTANT SUPERINTENDENT

During the fiscal year July 1, 1971 to June 30, 1972 our staff has endeavored to continue to improve the quality of our child-care services. Our program has included self-improvement through attending conferences and in-service training workshops. Our program has also included efforts to provide religious training, vocational training and recreational activities for the children in our care.

Staff-members attended several conferences and workshops. On January 5, the assistant superintendent accompanied Mr. Bryant to Raleigh to attend a meeting with the State Department of Social Services on standards for the operation of child-care institutions. The assistant superintendent attended the Southeastern Child Care Association at Roanoke, Virginia on April 11-13. Members of our staff participated in a symposium on alcohol and drug abuse. This enlightening discussion was held on our campus in late April. Two housemothers, Miss Bess and Mrs. Davis, along with the assistant superintendent attended the Chapel Hill Workshops sponsored by the Group Child Care Consultant Services of the School of Social Work, the University of North Carolina and the Southeastern Child Care Association. The topics studied were: The Rights of Children, Parents and the Agency; Achieving Consistant Treatment of the Child by the Entire Staff; and What We Really Need to Know at the Admission of a Child. Staff members were greatly benefitted by their participation in these conferences and sharing of experiences with others in similar positions.

Our religious training program includes Sunday School on campus, church attendance in the community and daily evening devotional services in each residence building.

We are striving to give the children in our care some vocational training through work experience in farming (vegetable gardening, livestock production and butchering, tobacco production and harvesting) dairying, upkeep and beautification of grounds, shoe repairing, barbering, sewing, housekeeping, food preparation and service, conservation, laundrying and housekeeping. Staff-members constantly strive to improve the quality of our training in these areas.

We have had a very successful year in providing recreational activities for our children. Recreational activities included band, choir, Boy Scouts, ball teams, trips and outings, parties, picnics and movies on campus. We were fortunate to acquire the services of Mr. F. Brewer as director of the band and of recreational activities. Organizations in the community and from other areas were very active in giving parties for our children during the Christmas seasons, picnics during the Easter season and summer vacation. Mr. A. Lyles worked with the children in recreational activities during the summer months. Our baseball team played several games in the community, and participated in the City Recreational League.

The choir, under the direction of Mrs. B. Hester, traveled to Durham, Greenville, Greensboro, Person County and to churches in Oxford and Granville County. We were very proud of their superb performances on these occasions.

A highlight of the year was the trip to the Ringling Brothers and Barnum and Bailey Circus in Greensboro, N. C., sponsored by Rucker Enterprises. Other trips were to Atlantic Beach, Pullen Park in Raleigh, and various outings in Granville County.

We were very pleased with the improvement in the production of the farm this year under the direction of Mr. Hawley and Mr. Hart. There was great

improvement both in quantity and in quality of the tobacco crop, corn, fruit and vegetables and in swine production.

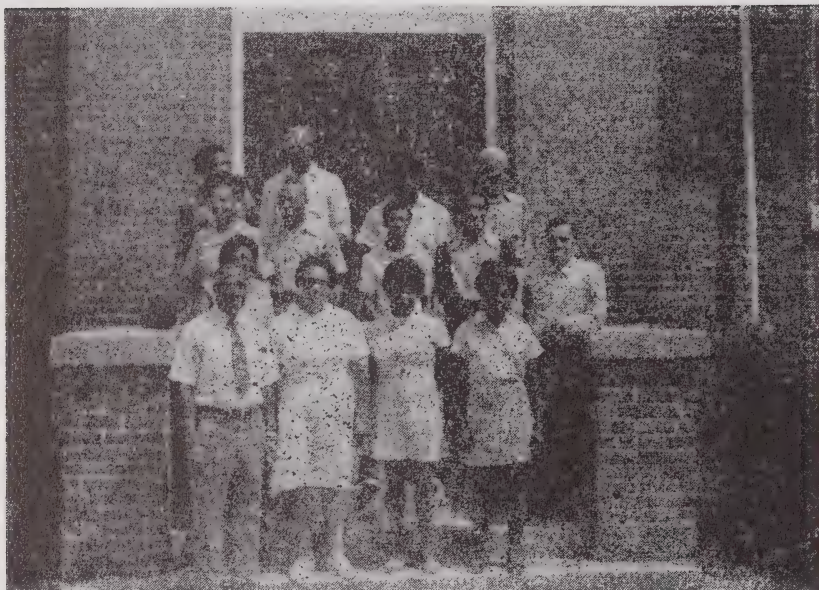

We had a successful year and look forward to continuing the progress in the future.

The Advisory Budget Commission
Raleigh, North Carolina

Gentlemen:

We have examined the Balance Sheet of

THE CENTRAL ORPHANAGE OF NORTH CAROLINA

Oxford, North Carolina

as of June 30, 1972, and the related Statement of Changes in Fund Balances of all the funds for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

Exhibit "A" is a Balance Sheet of all funds, supported by Schedule A-1, showing their financial position at June 30, 1972.

Exhibit "B" is a Statement of Net Changes in Fund Balances of all Funds. This Exhibit is supported by Schedules B-1 through B-6, which we feel are self-explanatory.

Exhibit "C" is a Statement of Capital Assets, which shows a total valuation of \$999,052.00. This statement is not intended to show present values and is subject to appraisal and changes.

Exhibit "D" is a Statement of Changes in the Children's Savings Fund. The balance of \$2,282.66 is the property of individual children and is administered by the budget officer as custodian.

We wish to express our appreciation to the staff for the courtesies and cooperation extended to us during the course of the examination.

Respectfully submitted,

HENRY L. BRIDGES, STATE AUDITOR

Prepared by George W. Cox

Notes:

- (A) The Employment Security Commission of North Carolina determined that the Orphanage is a liable employer under the Employment Security Law of North Carolina, effective January 1, 1972.
- (B) The laundry was destroyed by fire in March, 1970. After being rebuilt, the laundry resumed operations in July, 1971; thus no salaries were paid during the year ended June 30, 1971.
- (C) This amount includes \$4,144.27 for outside laundry service.
